Room 2017

Dear Sir:

Responding to your telephone inquiry of this morning, I take pleasure in enclosing an application card for membership, together with a list of monographs already published by this Society, and such of our other publications as are still in print. As I suggested to you, I think we should be better able to aid you if you could come and examine some of these books in our library. I hope you will give us the pleasure of welcoming you in the near future.

Yours very truly,

Secretary.
